Ammunition Management

MSG J. Payne

Jeffrey.payne@monroe.army.mil

PH: 757-788-5558

Ms Knight

knightc@monroe.army.mil

PH: 757-788-5717

Ammunition Management

• June 2002: TASSD assumed the FY03 Ammo Management
responsibilities formerly assigned to the TIEs

• Currently only 5% of units are not captured in the current Ammo Mgt/TAMIS-R program of authorizations and forecasts

• Focus as a TRADOC Installation-level ammo manager is to support TRADOC POIs
  – Exception: Support of IWQ for enlisted promotion points, with 5.56mm ball ammo
  – No 9mm will be expended ISO IWQ (detracts

Information Systems Management

Mr. Thom Moore

thomas.moore@monroe.army.mil

PH: 757-788-5599

(DSN: 680)

Alt: 757-788-5554

Information Systems Support

Email Connectivity
 – All Title XI soldiers will use AKO by 1 OCT 02

 – Instructions for setting up accounts have been emailed; additional questions will be answered this week

 – Advantages of using AKO are:
   – Improved reliability
   – Access to email via any ISP or Internet connection

Information Systems Support

- End User Support
  – Helpdesk for continued support for TSACS, AKO, hardware and software
  – Helpdesk consists of Mr. Moore and two Info Systems NCOs
  – Systems Security Updates and Anti-virus protection
  – Future enhancements: Info Management Support area on website, and Toll free support number
